Attention All Advisors:

I spoke with the insurance agent and he doesn't think we need new ones each year as long as we added certain statements. If you notice, there are 3 applications.

ADULT (Once filled out, no need for new one unless we change event venues or you get new advisors - I hope)

Youth (under 18) filled out by those under 18 and signed by parents

Youth (18-21) filled out by those who are those ages.

Once a cadet becomes 21 then an advisor form needs to be filled out if they become an advisor.

This should be easier because you we shouldn't have to run after the kids year after year... I hope. Only for new kids or when they change from <18 requiring parent signature and >18 signing for themselves.

I'm hoping to be able to get the online portion up and running soon!

Respectfully,

Mark Hallbauer
