Youth that can participate in our training programs must be no younger than 13 years of age and not exceed 20 years of age at the time of registration or renewal of membership. Youth younger than 13 years of age may only come to **observe only** unless otherwise specified. Students enrolled in a college criminal justice program over the age of 21 may come and take part in any classroom, however when it comes to hands on activities they can only participate as a role-player or observers, they will not be able to take part in the actual "officers" role unless prior approval has been arranged. All youth members of the association shall be called cadets. Members of the association are covered by our excess accident insurance policy for all approved activities with NERLEEA and your own agency. For information concerning insurance please direct them to the NERLEEA Board of Directors. By registering as a member of the association you understand that we are not associated with the Boy Scouts of America, Learning for Life or Law Enforcement Exploring, all of which are trademarked by the Boy Scouts of America. It is the policy of the NERLEEA that all groups that attend our events as participants must be registered as a member with the association with a signed application on file. In addition to this each individual youth member and advisor must be registered with an application on file and registration fees paid. Your membership must be renewed annually (January of each year). You also agree to register and pay for new members through the year so they may be added to our insurance policy.
